**Concord, NC. (October 11, 2008)** The Racing Collectables Club of America (RCCA) hosted its third trackside Elite member event in Charlotte on Saturday, October 11. Nearly 30 members of Bronze E-points status and above were on hand at the Sam Bass Gallery to enjoy a breakfast, participate in a live broadcast of "NASCAR Collector" on Sirius Satellite Radio and get a special meet and greet with Kyle Petty.

Immediately following the radio broadcast, the members held court in a private question and answer period with Tim Trout, Editor of Beckett Racing, "Dr. Die-Cast" Howard Hitchcock, television personality John Roberts and Motorsports Authentics President Mark Dyer.

Following the morning's activities, Platinum E-points status members and their guests were treated to lunch and a private tour of the NASCAR Research and Development Center and a garage tour of Lowe's Motor Speedway. John Bickford Sr., Jeff Gordon's stepfather who ushered him into the world of racing, joined the group for lunch.

The next RCCA trackside Elite member events will be held at the Bass Pro Shop in Grapevine, Texas on Saturday, November 1. Reservations are required, so don't miss out!
