

The Racing Collectables Club of America (RCCA) hosted its second Elite member event in Ft. Worth, Texas, on Thursday, August 14. A gathering of members at Bronze E-points status and above got the first look at the newest addition to the “Enduring Legends” collection – “Dale and the Duke” – which pairs John Wayne with Dale Earnhardt.

The car made its debut in a dramatic fashion following a cattle drive down the streets of the famed Ft. Worth Stockyards. On hand to unveil the car were Taylor Earnhardt, daughter of seven-time NASCAR Champion Dale Earnhardt, Marisa Wayne, daughter of John Wayne, legendary cowboy actor Buck Taylor, Motorsports Authentics president Mark Dyer and Texas Motor Speedway president Eddie Gossage.

Following the morning’s activities, four Platinum E-points status members and their guests were treated to lunch with members of the Wayne family, Tim Trout of Beckett Racing, Mark Dyer and Howard “Dr. Die-cast” Hitchcock.

The next RCCA trackside Elite member events will be held in Bristol and Charlotte. Details will be provided soon, so check back often!
