**Ft. Worth, Texas (November 1, 2008)** A small group of RCCA Elite Platinum members got the ultimate fan experience at Texas Motor Speedway where they participated in a President's Lunch, Garage Tour and VIP access to the NASCAR Nationwide Race, just for being Platinum-level members of RCCA!

The group enjoyed a President's Luncheon with Mark Dyer, CEO of Motorsports Authentics, in the Speedway Club, with special guests Jim Hunter of NASCAR, Jeff Hammond of SPEED and Tim Trout of Beckett. Immediately following, they went on a tour of the NASCAR Sprint Cup Garage at Texas Motor Speedway, where they had a private meet and greet with driver/owner Michael Waltrip and Joe Gibbs Racing President JD Gibbs.

This was the final RCCA Elite event for 2008, but don't forget to check your E-points status – you could be one die-cast away from a Platinum event in 2009!
